(3) While considering the scheme received under sub-section (2), the Medical Assessment and Rating Board for Indian System of Medicine shall have regard to the standards of education and research, the standards and norms for infrastructure and faculty, the guidelines on setting up of medical institutions and other requirements determined by the Board of Ayurveda or, as the case may be, the Board of Unani, Siddha and Sowa-Rigpa under section 26, and pass an order either approving or disapproving the scheme within three months from the date of receipt of such scheme: Provided that before disapproving such scheme, an opportunity to rectify the defects, if any, shall be given to the person concerned. (4) Where a scheme is approved under sub-section (3), such approval shall be the permission under sub-section (1) to establish a new medical institution. (5) Where a scheme is disapproved under sub-section (3), or where no order is passed within three months of submitting a scheme under sub-section (2), the person concerned may prefer an appeal to the Commission within fifteen days of such disapproval or, as the case may be, after lapse of three months, in such manner as may be specified by regulations. (6) Where the Commission has disapproved the scheme or no order has been passed within fifteen days from the date of preferring appeal under sub-section (5), the person concerned may prefer a second appeal to the Central Government within seven days of communication of such disapproval or, as the case may be, lapse of specified period of fifteen days. (7) The Medical Assessment and Rating Board for Indian System of Medicine may conduct evaluation and assessment of any University or medical institution at any time, either directly or through any other expert, having integrity and experience in medical profession, without any prior notice and assess and evaluate the performance, standards and benchmarks of such University or medical institution.

30. Criteria for approving or disapproving scheme.—

While approving or disapproving a scheme under section 29, the Medical Assessment and Rating Board for Indian System of Medicine, or the Commission, as the case may be, shall take into

consideration the following criteria, namely:—(a)adequacy of infrastructure and financial resources;(b)whether adequate academic faculty, non-teaching staff, and other necessary facilities have been provided to ensure proper functioning of medical institution or would be provided within the time-limit specified in the scheme;(c)whether adequate hospital facilities have been provided or would be provided within the time- limit specified in the scheme;(d)such other factors as may be prescribed:Provided that, subject to the previous approval of the Central Government, the criteria may be relaxed for the medical institutions which are set up in such areas as may be specified by the regulations.

31. State Medical Council.—

(1)The State Government shall, by notification, within three years of the commencement of this Act, establish a State Medical Council for Indian System of Medicine in that State if no such Council exists in that State.(2)Where a State Act confers power upon the State Medical Council to take disciplinary actions in respect of any professional or ethical misconduct by a registered practitioner of Indian System of Medicine, the State Medical Council shall act in accordance with the regulations made, and the guidelines framed, under this Act:Provided that till such time as a State Medical Council for Indian System of Medicine is established in a State, the Board of Ethics and Registration for Indian System of Medicine shall receive the complaints and grievances relating to any professional or ethical misconduct against a registered practitioner of Indian System of Medicine in that State in accordance with such procedure as may be specified by regulations:Provided further that the Board of Ethics and Registration for Indian System of Medicine or, as the case may be, the State Medical Council shall give an opportunity of hearing to such practitioner before passing any order or taking any action, including imposition of any monetary penalty, against such person.(3)A practitioner of Indian System of Medicine who is aggrieved by the order passed or the action taken by—(a)the State Medical Council under sub-section (2) may prefer an appeal to the Board of Ethics and Registration for Indian System of Medicine and the decision, if any, of the Board of Ethics and Registration for Indian System of Medicine thereupon shall be binding on such State Medical Council, unless a second appeal is preferred under sub-section (4);(b)the Board of Ethics and Registration for Indian System of Medicine under the first proviso to sub-section (2) may prefer an appeal to the Commission.(4)A medical practitioner of Indian system of medicine who is aggrieved by the decision of the Board of Ethics and Registration for Indian System of Medicine, may prefer an appeal to the Commission within sixty days of communication of such decision.Explanation.—For the purposes of this Act,—(a)“State” includes Union territory and the expressions “State Government” and “State Medical Council for Indian System of Medicine”, in relation to a Union territory, shall respectively mean the “Central Government” and “Union Territory Medical Council for Indian System of Medicine”;(b)the expression “professional or ethical misconduct” includes any act of commission or omission, as may be specified by regulations.

32. National Register and State Register of Indian System of Medicine.—

(1)The Board of Ethics and Registration for Indian System of Medicine shall maintain a National Register containing the name, address, all recognised qualifications possessed by a licensed medical practitioner of the Indian System of Medicine and such other particulars as may be specified by

regulations.(2)The National Register shall be maintained in such form, including in electronic form and in such manner as may be specified by regulations.(3)The manner in which any name or qualification may be added to, or removed from, the National Register and the grounds for removal thereof, shall be such as may be specified by the regulations.(4)The National Register shall be made available to the public by placing it on the website of the Board of Ethics and Registration for Indian System of Medicine.(5)Every State Medical Council shall maintain and regularly update the State Register in the specified electronic format and supply a physical copy of the same to the Board of Ethics and Registration for Indian System of Medicine within three months of the commencement of this Act.(6)The Board of Ethics and Registration for Indian System of Medicine shall ensure electronic synchronization of the National Register and the State Register in such a manner that any change in one such register is automatically reflected in the other register.

33. Rights of persons to be enrolled in National Register and their obligations thereto.—

(1)Any person who has a recognised qualification in Indian System of Medicine under this Act and qualifies the National Exit Test held under section 15 shall be granted a licence to practice Indian System of Medicine and shall have his name and qualifications enrolled first in the State Register and subsequently in the National Register maintained under this Act:Provided that a person who has been registered in the Central Register of Indian System of Medicine maintained under the Indian Medicine Central Council Act, 1970 (48 of 1970) prior to the coming into force of this Act and before the National Exit Test becomes operational under sub-section (3) of section, shall be deemed to have been registered under this Act and be enrolled in the National Register maintained under this Act.(2)No person who has obtained a qualification in Indian System of Medicine from a medical institution established in any country outside India and is recognised as a medical practitioner of Indian System of Medicine in that country, shall, after the commencement of this Act and the National Exit Test for Indian System of Medicine becomes operational under sub-section (3) of section 15, be enrolled in the National Register for Indian System of Medicine, unless he qualifies the National Exit Test for Indian System of Medicine.(3)When a person whose name is entered in the State Register or the National Register, as the case may be, obtains any title, diploma or qualification for proficiency in sciences or medicine which is a recognised qualification under section 35 or section 36, as the case may be, he shall be entitled to have such title, diploma or qualification entered against his name in the State Register or the National Register, in such manner as may be specified by regulations.

34. Rights of persons to practice.—

(1)No person other than a person who is enrolled in the State Register or the National Register, as the case may be, shall—(a)be allowed to practice Indian System of Medicine as a qualified practitioner;(b)hold office as a physician or surgeon or any other office, by whatever name called, which is meant to be held by a physician or surgeon, as the case may be;(c)be entitled to sign or authenticate a medical or fitness certificate or any other certificate required by any law to be signed or authenticated by a duly qualified medical practitioner;(d)be entitled to give evidence at any inquest or in any court of law as an expert under section 45 of the Indian Evidence Act, 1872 (1 of

1872) on any matter relating to Indian System of Medicine: Provided that the Commission shall submit a list of such practitioners to the Central Government in such manner as may be prescribed: Provided further that a foreign citizen who is enrolled in his country as a practitioner of Indian System of Medicine in accordance with the law regulating the registration of such practitioners in that country may be permitted temporary registration in India for such period and in such manner as may be specified by regulations. (2) Any person who acts in contravention of the provisions of this section shall be punished with imprisonment for a term which may extend to one year, or with fine which may extend to five lakh rupees, or with both. (3) Nothing contained in this section shall affect—(a) the right of a person enrolled in a State Register as practitioner of Indian System of Medicine to practice in any State merely on the ground that he does not possess, as on the date of commencement of this Act, a recognised medical qualification in the Indian System of Medicine; (b) the privileges, including the right to practice any system of medicine, conferred by or under any law for the time being in force in a State on the practitioners of Indian System of Medicine enrolled in the State register of that State; (c) the right of a person who has been practicing Indian System of Medicine for not less than five years in a State, to continue to practice in that State in which a State Register of Indian System of Medicine is not maintained as on the date of commencement of this Act.

Chapter VI

RECOGNITION OF QUALIFICATIONS OF INDIAN SYSTEM OF MEDICINE

35. Recognition of qualifications granted by Universities or medical institutions in India.—

(1) The medical qualifications in Indian System of Medicine at undergraduate or postgraduate or super-speciality level granted by any University or medical institution in India shall be listed and maintained by the Board of Ayurveda or the Board of Unani, Siddha and Sowa-Rigpa, as the case may be, in such manner as may be specified by regulations and such medical qualification shall be a recognised medical qualification for the purposes of this Act. (2) Any University or medical institution in India which grants an undergraduate or postgraduate or super-speciality qualification in Indian System of Medicine not included in the list maintained by the Board of Ayurveda or the Board of Unani, Siddha and Sowa-Rigpa, as the case may be, may apply to that Board for granting recognition to such qualification. (3) The Board of Ayurveda or the Board of Unani, Siddha and Sowa-Rigpa, as the case may be, shall examine the application for grant of recognition to a qualification in Indian System of Medicine within a period of six months in such manner as may be specified by regulations. (4) Where the Board of Ayurveda or the Board of Unani, Siddha and Sowa-Rigpa, as the case may be, decides to grant recognition to the qualification in Indian System of Medicine, it shall include such qualification in the list maintained by it and shall also specify therein the date of effect of such recognition, otherwise it shall communicate its decision not to grant recognition to the medical qualification to the concerned University or medical institution. (5) The aggrieved University or the medical institution may prefer an appeal to the Commission within a

period of sixty days from the date of communication of the decision of the Board of Ayurveda or the Board of Unani, Siddha and Sowa-Rigpa, as the case may be, in such manner as may be specified by regulations.(6)The Commission shall examine the appeal received under sub-section (5) within a period of two months and if it decides that recognition may be granted to such medical qualification, it may direct the concerned Board to include such qualification in the list maintained by that Board in such manner as may be specified by regulations.(7)Where the Commission decides not to grant recognition under sub-section (6) or fails to decide within the specified period, the aggrieved University or medical institution may prefer a second appeal to the Central Government within a period of thirty days from the date of communication of such decision or lapse of specified period, as the case may be.(8)All medical qualifications which have been recognised before the date of commencement of this Act and are included in the Second Schedule and Third Schedule to the Indian Medicine Central Council Act, 1970 (48 of 1970), shall also be listed and maintained by the Board of Ayurveda or the Board of Unani, Siddha and Sowa-Rigpa, as the case may be, in such manner as may be specified by regulations.

36. Recognition of medical qualifications granted by medical institutions outside India.—

(1)Where an authority in any country outside India which, by the law of that country is entrusted with the recognition of qualifications of Indian System of Medicine in that country, makes an application to the Commission for granting recognition to such qualification in India, the Commission may, subject to such verification as it deems necessary, either grant or refuse to grant recognition to that medical qualification.(2)Where the Commission grants recognition to any medical qualification under sub-section (1), such qualification shall be a recognised qualification for the purposes of this Act and shall be included in the list maintained by the Commission in such manner as may be specified:Provided that in case the Commission decides not to grant recognition to any qualification, the Commission shall give a reasonable opportunity of being heard to such authority before refusing to grant such recognition.(3)Where the Commission refuses to grant recognition to a medical qualification under, sub-section (2), the Authority concerned may prefer an appeal to the Central Government for grant of recognition.(4)All qualifications which have been recognised before the date of commencement of this Act and are included in the Fourth Schedule to the Indian Medicine Central Council Act, 1970 (48 of 1970) shall also be recognised medical qualifications for the purposes of this Act and shall be listed and maintained by the Commission in such manner as may be specified by the regulations.

37. Withdrawal of recognition or de-recognition of qualification.—

(1)Where, upon a report received from the Medical Assessment and Rating Board for Indian System of Medicine or otherwise, it appears to the Commission that—(a)the courses of study and examination to be undergone in, or the proficiency required from candidates at any examination held by, a University or medical institution do not conform to the standards specified by the Board of Ayurveda or the Board of Unani, Siddha and Sowa-Rigpa, as the case may be; or(b)the standards and norms for infrastructure, faculty and quality of education in medical institutions as determined by the Board of Ayurveda or the Board of Unani, Siddha and Sowa-Rigpa, as the case may be, are

not adhered to by any University or medical institution, and such University or medical institution has failed to take necessary corrective action to maintain specified minimum standards, the Commission may initiate action in accordance with the provisions of sub-section (2): Provided that the Commission shall, before, taking any action for suo motu withdrawal of recognition granted to the medical qualification awarded by a University or medical institution, impose penalty in accordance with the provisions of clause (f) of sub-section (1) of section 28. (2) The Commission shall, after making such further inquiry as it deems fit, and after holding consultations with the State Government and the authority of the concerned University or medical institution, comes to the conclusion that the recognition granted to a medical qualification ought to be withdrawn, it may, by order, withdraw recognition granted to such medical qualification and direct the Board of Ayurveda or the Board of Unani, Siddha and Sowa-Rigpa, as the case may be, to amend the entries against the University or medical institution concerned in the list maintained by that Board to the effect that the recognition granted to such qualification is withdrawn with effect from the date specified in that order. (3) If the Commission, after verification with the authority in any country outside India, is of the opinion that a recognised medical qualification which is included in the list maintained by it is to be de-recognised, it may, by order, de-recognise such medical qualification and remove it from the list maintained by the Commission with effect from the date of such order.

38. Special provision in certain cases for recognition of qualifications.—

Where the Commission deems it necessary so to do, it may, by notification, direct that any qualification in Indian System of Medicine granted by a medical institution outside India, after such date, as may be specified in that notification, shall be recognised qualification for the purposes of this Act: Provided that medical practice by a person possessing such qualification shall be permitted only if such person has been enrolled as a medical practitioner in accordance with the law regulating the registration of medical practitioner for the time being in force in that country: Provided further that medical practice by a person possessing such qualification shall be limited to such period as may be specified in that order: Provided also that medical practice by a person possessing such qualification shall be permitted only if such person qualifies National Exit Test.

Chapter VII

39. Grants by Central Government.—

The Central Government may, after due appropriation made by Parliament by law in this behalf, make to the Commission grants of such sums of money as the Central Government may think fit.

40. National Commission Fund for Indian System of Medicine.—

(1) There shall be constituted a fund to be called “the National Commission Fund for Indian System of Medicine” and there shall be credited thereto—(a) all Government grants, fees, penalties and charges received by the Commission and the Autonomous Boards; (b) all sums received by the

Commission from such other source as may be decided by it.(2)The fund shall be applied for making payment towards—(a)the salaries and allowances payable to the Chairperson and Members of the Commission, the Presidents and Members of the Autonomous Boards and the administrative expenses including the salaries and allowances payable to the officers and other employees of the Commission and Autonomous Boards;(b)the expenses incurred or to be incurred in carrying out the provisions of this Act including in connection with the discharge of the functions of the Commission and the Autonomous Boards.

41. Audit and accounts.—

(1)The Commission shall maintain proper accounts and other relevant records and prepare an annual statement of accounts in such form as may be prescribed, in consultation with the Comptroller and Auditor-General of India.(2)The accounts of the Commission shall be audited by the Comptroller and Auditor-General of India at such intervals as may be specified by him and any expenditure incurred in connection with such audit shall be payable by the Commission to the Comptroller and Auditor-General of India.(3)The Comptroller and Auditor-General of India and any other persons appointed by him in connection with the audit of the accounts of the Commission shall have the same rights and privileges and authority in connection with such audit as the Comptroller and Auditor-General generally has in connection with the audit of Government accounts and in particular, shall have the right to demand the production of, and complete access to, records, books, accounts, connected vouchers and other documents and papers and to inspect the office of the Commission.(4)The accounts of the Commission as certified by the Comptroller and Auditor-General of India or any other person appointed by him in this behalf, together with the audit report thereon, shall be forwarded annually by the Commission to the Central Government which shall cause the same to be laid, as soon as may be after it is received, before each House of Parliament.

42. Furnishing of returns and reports to Central Government.—

(1)The Commission shall furnish to the Central Government, at such time, in such form and in such manner, as may be prescribed or as the Central Government may direct, such reports and statements and such particulars in regard to any matter under the jurisdiction of the Commission, as the Central Government may, from time to time, require.(2)The Commission shall prepare, once every year, in such form and at such time as may be prescribed, an annual report, giving a summary of its activities during the previous year and copies of the report shall be forwarded to the Central Government.(3)A copy of the report received under sub-section (2) shall be laid by the Central Government, as soon as may be after it is received, before each House of Parliament.

Chapter VIII

MISCELLANEOUS

43. Power of Central Government to give directions to Commission and Autonomous Boards.—

(1) Without prejudice to the foregoing provisions of this Act, the Commission and the Autonomous Boards shall, in exercise of their powers and discharge of their functions under this Act be bound by such directions on questions of policy as the Central Government may give in writing to them from time to time: Provided that the Commission and the Autonomous Boards shall, as far as practicable, be given an opportunity to express their views before any direction is given under this sub-section. (2) The decision of the Central Government whether a question is one of policy or not shall be final.

44. Power of Central Government to give directions to State Governments.—

The Central Government may give such directions, as it may deem necessary, to a State Government for carrying out all or any of the provisions of this Act and the State Government shall comply with such directions.

45. Information to be furnished by Commission and publication thereof.—

(1) The Commission shall furnish such reports, copies of its minutes, abstracts of its accounts and other information to the Central Government as that Government may require. (2) The Central Government may publish, in such manner as it may think fit, the reports, minutes, abstracts of accounts and other information furnished to it under sub-section (1).

46. Obligation of Universities and medical institutions.—

Every university and medical institutions covered under this Act shall maintain a website at all times and display in its website all such information as may be required by the Commission or an Autonomous Board, as the case may be.

47. Completion of courses of studies in medical institutions.—

(1) Notwithstanding anything contained in this Act, any student who was studying for a degree or diploma in any medical institution immediately before the commencement of this Act shall continue to so study and complete his course for such degree or diploma, and such institution shall continue to provide instructions and hold examination for such student in accordance with the syllabus and studies as existed before such commencement, and such student shall be deemed to have completed his course of study under this Act and shall be awarded degree or diploma under this Act. (2) Notwithstanding anything contained in this Act, where recognition granted to a medical institution has lapsed, whether by efflux of time or by its voluntary surrender or for any other reason whatsoever, such medical institution shall continue to maintain and provide the minimum standards as approved by the Commission till such time as all the candidates are able to complete their study in that institution.

48. Chairperson, Members, officers of Commission and of Autonomous Boards to be public servants.—

The Chairperson, Members, officers and other employees of the Commission and the President and Members of Autonomous Boards shall be deemed, when acting or purporting to act in pursuance of any of the provisions of this Act, to be public servants within the meaning of section 21 of the Indian Penal Code (45 of 1860).

49. Protection of action taken in good faith.—

No suit, prosecution or other legal proceeding shall lie against the Government, the Commission or any Autonomous Board or a State Medical Council or any Committee thereof, or any officer or other employee of the Government or of the Commission acting under this Act for anything which is in good faith done or intended to be done under this Act or the rules or regulations made thereunder.

50. Cognizance of offences.—

No Court shall take cognizance of an offence punishable under this Act except upon a complaint in writing made in this behalf by an officer authorised by the Commission or the Ethics and Registration Board or a State Medical Council for Indian System of Medicine, as the case may be.

51. Power of Central Government to supersede Commission.—

(1) If, at any time, the Central Government is of opinion that—(a) the Commission is unable to discharge the functions and duties imposed on it by or under the provisions of this Act; or (b) the Commission has persistently made default in complying with any direction issued by the Central Government under this Act or in the discharge of the functions and duties imposed on it by or under the provisions of this Act, the Central Government may, by notification, supersede the Commission for such period, not exceeding six months, as may be specified in the notification: Provided that before issuing a notification under this sub-section, the Central Government shall give a reasonable opportunity to the Commission to show cause as to why it should not be superseded and shall consider the explanations and objections, if any, of the Commission. (2) Upon the publication of a notification under sub-section (1) superseding the Commission,—(a) all the Members shall, as from the date of supersession, vacate their offices as such; (b) all the powers, functions and duties which may, by or under the provisions of this Act, be exercised or discharged by or on behalf of the Commission, shall until the Commission is re-constituted under sub-section (3), be exercised and discharged by such person or persons as the Central Government may direct; (c) all property owned or controlled by the Commission shall, until the Commission is re-constituted under sub-section (3), vest in the Central Government. (3) On the expiration of the period of supersession specified by the notification issued under sub-section (1), the Central Government may,—(a) extend the period of supersession for such further term not exceeding six months, as it may consider necessary; or (b) re-constitute the Commission by fresh appointment and in such case the Members who vacated their offices under clause (a) of sub-section (2) shall not be deemed disqualified for

appointment: Provided that the Central Government may, at any time before the expiration of the period of supersession, whether as originally specified under sub-section (1) or as extended under this sub-section, take action under clause (b) of this sub-section. (4) The Central Government shall cause a notification issued under sub-section (1) and a full report of any action taken under this section and the circumstances leading to such action to be laid before both Houses of Parliament at the earliest opportunity.

52. Joint sittings of Commission, National Commission for Homoeopathy and National Medical Commission.—

(1) There shall be a joint sitting of the Commission, the National Commission for Homoeopathy, and the National Medical Commission, at least once a year, at such time and place as they mutually appoint, to enhance the interface between Indian System of Medicine, Homoeopathy and modern system of medicine. (2) The Agenda for the joint sitting may be placed with mutual agreement by the Chairpersons of the Commissions concerned. (3) The joint sitting may, by an affirmative vote of all members present and voting, decide on approving specific educational and medical modules or programme that could be introduced in the under-graduate and post-graduate courses across medical systems, and promote medical pluralism.

53. State Government to promote public health.—

Every State Government may, for the purposes of addressing or promoting public health, take necessary measures to enhance the capacity of the healthcare professionals.

54. Power to make rules.—

(1) The Central Government may, by notification in the Official Gazette, make rules to carry out the purposes of this Act. (2) In particular, and without prejudice to the foregoing power, such rules may provide for all or any of the following matters, namely:—(a) the manner of appointing ten Members of the Commission on rotational basis from amongst the nominees of the States and Union territories in the Advisory Council under clause (b) of sub-section (4) of section 4; (b) the manner of appointing members under clause (c) of sub-section (4) of section 4; (c) the manner of nominating one expert by the Central Government under clause (d) of sub-section (1) of section 5; (d) the salary and allowances payable to, and other terms and conditions of service of, the Chairperson and Members under sub-section (4) of [section 6] (#sec_6); (e) the form and the manner of making declaration under sub-section (6) of section 6; (f) the qualifications and experience to be possessed by Secretary under sub-section (2) of section 8; (g) the salaries and allowances payable to, and other terms and conditions of the Secretary, officers and other employees of the Commission under sub-section (6) of section 8; (h) the other powers to be exercised and other functions to be performed by the Commission under clause (j) of sub-section (1) of section 10; (i) the salary and allowances payable to, and other terms and conditions of service of, the President and Members of an Autonomous Board under sub-section (2) of section 21; (j) the other factors under clause (d) of section 30.
